Cultural Committee Report

various competitions every year to create a space for students to experiment. Debate, lecture, We all have some hidden artistic talent that must be nurtured. The cultural committee provides the students with a platform for new learning beyond the syllabus. The committee wishes to awaken, inspire and stimulate students. It's not only exciting but also competitive and quite interactive.

Cultural programmes are hosted for two weeks for all students. Various competitions are organized in an atmosphere of fun and camaraderie.

The college conducts essay writing, quiz, rangoli, drawing, pick and speak, mono acting etc.

The cultural committee serves to be a medium for discussions and debate. It encourages different forms of Indian music, folk, patriotic, light, and film songs. The college upholds Indian tradition, culture and values by promoting Indian music, folklore, and dance and celebrating various National Festivals.

Every year we seek to create more such platforms to encourage the college community to participate in cultural activities.

Experts train students to hone their skills and encourage them to participate in various competitions held in the college. Students have brought laurels to our college.

Thus, the various activities conducted by our college's various committees and forums are instrumental in moulding the student into a culturally refined, responsible citizen, which is the ultimate aim of any institution besides imparting academic knowledge and fetching them a degree.

College Day

"Prathibhashree" is the most unique and memorable function organized by the various college committees. Students exhibit their talent and transport the audience to another world through drama, dance and music.

Rank holders and subject toppers are honoured on this day. Prize winners in various sports, literary and cultural competitions are also honoured on this day.

NOTE : Due to pandemic only four competitions were held during 2019-20

SCIENCE FORUM REPORT

Science and knowledge are essential parts of Mankind's everyday lives. Scientific knowledge is not only the result of humans' inherent curiosity and scientific endeavour; it is a powerful means of understanding human character, society and the Nature in which humans live. The advancement of science contributes to the socio-economic development of society, the welfare of humankind, man's relation to Nature and the quality of life.

ABOUT THE FORUM: Science Forum, Kalpataru First Grade Science College, Tiptur, was started in 1986. Since then, it has been conducting various activities related to science disciplines. As the college is pure science, the role of the Science Forum is essential in imparting scientific knowledge to the students.

VISION:

- ♦ To foster scientific temper.

S. L. Chikhi
Principal
Kalpataru First Grade Science College
TIPTUR - 572201.

- ◆ Strive to provide the opportunity to appreciate the value of science and recognize excellence in education to build their career in science to lead a life of social cohesion and harmony, adopting high values.
- ◆ To impart knowledge, skills and values that are so essential to the educated and responsible citizens.

MISSION:

- ◆ To help students progress with a collaborative initiative to achieve scientific excellence.
- ◆ To promote knowledge in a rewarding and inspiring research environment.
- ◆ To understand the basic principles of science and its vast field of applications.

ACTIVITIES:

It believes in "Education for life, education through life, education throughout life". The practical and theoretical learning methods are equally essential to produce more socially aware and well-rounded science graduates. Science Forum organizes many events for students throughout the academic year. They are Guest lectures, seminars, competitions, quizzes and exhibitions. These programmes helped the students remarkably and significantly.

SCIENCE FORUM, Kalpataru First Grade Science College, Tiptur, has conducted various 'programmes' and 'competitions' every year for 30 years.

Every year "NATIONAL SCIENCE DAY" is celebrated on 28th February.
