Report

Cyber Security Workshop

Report on Two-Day Session on Cyber Security:

A **two-day session on Cyber Security** was organized by the **Department of Computer Science, Kalpataru First Grade Science College**, on **25th and 26th September 2025**. The objective of the program was to create awareness about cyber threats and provide hands-on experience in protecting digital information.

The session was inaugurated by **Dr. G. N. Umesh**, Principal of Kalpataru First Grade Science College, and **Ms. Deepa**, Head of the Department of Computer Science. Both encouraged students to enhance their knowledge in emerging fields like cyber security.

Day 1: Theory Session:

The first day featured an informative theory session conducted by **Mr. Mohammed Ayan**, **Cyber Crime Investigator and Cyber Security Trainer**. He explained the fundamentals of cyber-crimes, phishing attacks, password protection, ethical hacking, and online safety measures. The session provided valuable insights into the growing importance of cyber security in everyday life.

Day 2: Hands-on Session:

On the second day, Mr. Ayan conducted a practical hands-on session where students explored real-time examples of cyber threats. They learned techniques for identifying malicious activities, securing data, and maintaining online safety through demonstrations and exercises.

Participation and Outcome:

A total of **172 students** actively participated in the two-day program. The sessions were highly interactive, blending theory with practical application. Overall, the event was **informative, engaging, and greatly appreciated** by all participants.
