Dear sir

Greeting from BAIF -Lakkihalli campus, Tiptur

It is my pleasure to thank you and your staff particularly botany and zoology dept, for consistent support for research and development activities. As we requested during our visit to your college with German scientist on 09.05.2017 that we need your students for emasculation work in Jatropha plantation at Lakkihalli campus.

Since the flowering in Jatropha is limited hence we need about 15 students now. Ms.Elisa from German will be conducting training on emasculation technique probably on 17-18, July, 2017 at our campus. Therefore, you may intimate concern and block above mentioned dates for the same. (If any changes in dates will be intimated to you)

This is for your kind information and request to pass message to concern

Thanking you with regards
